## Novartis Patient Assistance Foundation

Novartis has a Patient Assistance Program (PAP), administered by the Novartis Patient Assistance Foundation, Inc. (NPAF), a 501(c)(3) non-profit, non-commercial entity within Novartis. NPAF provides Novartis medications covered under the program free of cost to patients facing financial hardship who have limited or no prescription coverage and cannot afford the cost of their medication. NPAF can be reached at 1-800-277-2254, or visit [www.PAP.Novartis.com](https://www.PAP.Novartis.com) for more information and to download an application.

\*Limitations apply. Valid only for those with private insurance. Program provides up to \$16,000 annually for the cost of COSENTYX and up to \$150 per infusion (up to \$1,950 annually) for the cost of administration. Co-pay support for infusion administration cost not available in Rhode Island or Massachusetts. Offer not valid under Medicare, Medicaid, or any other federal or state program. Novartis reserves the right to rescind, revoke, or amend this program without notice. See complete Terms & Conditions for details.

†Certain payers have carve-outs that restrict utilization of manufacturer support programs.

‡The Covered Until You're Covered Program is available for COSENTYX subcutaneous injection only. Eligible patients must have commercial insurance, a valid prescription for COSENTYX, and a denial of insurance coverage based on a prior authorization request. Program requires the submission of an appeal of the coverage denial within the first 90 days of enrollment in order to remain eligible. Program provides COSENTYX for free to eligible patients for up to 2 years, or until they receive insurance coverage approval, whichever occurs earlier. A valid prescription consistent with FDA-approved labeling is required. Program is not available to patients whose medications are reimbursed in whole or in part by Medicare, Medicaid, TRICARE, or any other federal or state program. Patients may be asked to reverify insurance coverage status during the course of the program. No purchase necessary. Program is not health insurance, nor is participation a guarantee of insurance coverage. Limitations may apply. Enrolled patients awaiting coverage for COSENTYX after 2 years may be eligible for a limited Program extension. Novartis Pharmaceuticals Corporation reserves the right to rescind, revoke, or amend this Program without notice.
